THE OLD CAPITOL
COLLECTION

OLD CAPITOL

A perennially popular collection of fine wood dining furniture, masterfully styled to retain the special warmth that is so much a part of the Early American tradition.

Each piece, fashioned of Solid Northern Hard Rock Maple, is taken slowly and carefully through a special 10-step finishing process to give it a deep, long-lasting, luminous cast.

Hand-crafted detail throughout, specially designed hand-wrought hardware, and the finest selected veneers make Old Capitol a handsome addition to any dining room or dining area.

Combining comfort, function, and charming colonial simplicity, the Old Capitol line is an enduring part of a tradition of tasteful living established in America's first days.

You'll find it every bit as tasteful now, and even more of a value.

Old Capitol can be the picture of elegant simplicity...

and just as easily, a haven of inviting informality.
